## SOCIAL CLUB DINNER

---

Our Social Club hosted an Italian Dinner night in the clubhouse on a Friday night. It was a big success. We had 32 plus in attendance and everyone seemed to have plenty to eat and a good visit was had by all. These type of events are common with our Social Club and if you have any ideas on a particular evening of entertainment and or a dinner please come to the Social Club meetings which are held on the second Wednesday of each month so for July it will be July 14, at 11 AM in the Clubhouse. Your thoughts will be appreciated when it comes to planning upcoming events.

Listed here are a few things planned.

COMMITTEE MEETING – 11 AM JULY 14

PANCAKE BREAKFAST – JULY 24 8:30 AM

WHIST – JULY 24, 7 PM.

## GARAGE SALE

---

We have had Park wide garage sales in the past, however the last couple have not been as successful as we had hoped. We published a list of people who were interested in holding a Park wide sale and have had a very poor response so it has now been cancelled. Should you decide to have one on your own please do so, perhaps a few neighbours could get together and hold a Saturday or Sunday sale.

### SUMMER IS COMING

---

I know we have been calling June, January as it really seems like summer will never arrive but regardless of the weather the kids will be out of school probably by the time I print this newsletter. We must all be more vigilant with our speed of our vehicles in Park as there will be kids darting in and out.

Please also keep in mind that if you do have children for guests in the Park you must not let them run around without some form of adult supervision.

### HUMOUR SECTION

---

Why is there so much month left at the end of the money?

Why is a baseball team like a muffin?: they both depend on the batter !

Why did the tomato turn red? He saw the salad dressing !

Is it true older people don't sweat?

Maybe they just don't do things that make them sweat !

"My Grandmother started walking 5 miles a day when she was 60. She's 96 now and we don't know where the heck she is." Ellen De Generes

A man has reached middle age when he is warned to slow down by his doctor and not the police.

Perched in my shorts on the edge of my bed, with a shoe in my hand and my teeth in a cup, I'm looking for clues, so I don't have to ask: "Am I going to bed or just getting up?"
